

# The Art of Folding the Future: Issey Miyake

“Curiosity and Happiness  
are at the core of my work” –  
Issey Miyake 1938 – 2022

October 17 – December 31, 2025

Enter a world where design becomes philosophy. This exhibition honors Issey Miyake, a creator who never settled for the ordinary. His iconic pleats and experimental vision continue to inspire generations to pause, reflect, and re-imagine what design can be.
